The series began with "The Highlander" in 2009, shortly after Moning's successful foray into urban fantasy, but it was conceived as a standalone series that eventually expanded into a cohesive universe. The Highlander Series was inspired by Moning's fascination with Scottish history, legends of clans, and the mystical allure of the Highlands. She aimed to craft a series that combines historical elements with romantic and fantastical themes, creating a compelling tapestry that appeals to fans of both genres.

Publication History and Series Overview

Understanding the publication history is crucial for readers who wish to follow the series in chronological order or in the order of publication.
